

Hey there!

I am so happy that you love your shirt!

I want you to know that the kid on the other end is very excited to meet you :)

I started Be A Number almost 16 years ago (yes I am old!) while I was in college, because I love kids!

Now, I have kids of my own and they even help me make these shirts and pack them up sometimes.

I guess I just wanted to write you (yes, you!) to tell you to keep dreaming. Never stop. Dreams come true. And with this shirt you're helping another kid's dream come true. Not only do they get to meet you (how cool!), but they also get to go to school too.

From the bottom of my heart, thanks for caring... and have fun!

Ever,

Mr. Kevin
